Sun Chem
Asphalt Release #9960

SOY BASED CLEANER/DEGREASER

LOW VOC

DESCRIPTION: SOY BASED CLEANER/DEGREASER will provide a superior cleaning performance related to crude oil, asphalt residue, grease oil deposits, inks and adhesives.

ADVANTAGES:

- **Cost Effective**
- Fast Acting
- Low VOC
- Low Odor
- Biodegradable
- **Dilutable**
- Environmentally Safe
- Non Combustible
- No Citrus
- No Petroleum Distillates

APPLICATION METHODS:

- Machine Scrubbing
- Bucket & Brush
- Parts Washers
- Pump Up Sprayer
- Dip & Soak Tank
- General Purpose Cleaning
- Mopping

RECOMMENDED USED:

- Refineries
- Automotive Parts Washer
- Oil Drilling/Production
- Machine Shops
- Transportation Vehicles
- Marine Industry

DILUTIONS: SOY BASED CLEANER/DEGREASER can be diluted with 5 parts of water. Apply using application methods described above. Let it stand for five minutes. Rinse thoroughly with warm or cold water.

SPECIFICATIONS:

Color.....Clear/Amber
Fragrance & Residual Odor.....Mild
Type of SurfactantsNonionic
Flash Point.....> 250°F method T.C.C.
Viscosity @ 77°F <100 cps
Solids.....7.00
Weight in pounds per gallon7.30
Specific Gravity..... 0.875 ± 0.005
Shelf Life..... Two Years
Rinse Ability Excellent
Grease Cutting Ability..... Excellent
VOC 20 gm/L
